

MY TYPE OF COLLABORATION

You're making history, collectively creating dozens of unique typefaces in just 60 minutes!

OBJECTIVE: Work letter-by-letter, to create a cohesive alphabet based on a prompt. 'Yes And' the letterforms that come before you, accepting and building a community of glyphs.

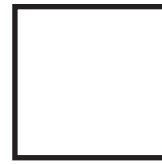

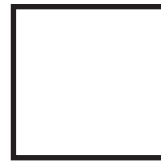

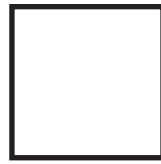

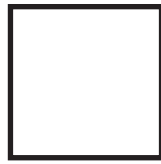

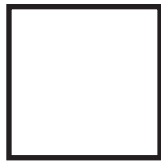

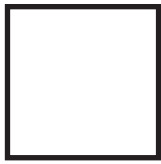

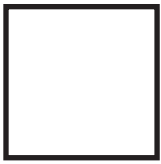

1. You will have **7 minutes** to ideate, sketch and fine-tune the letters A, B and C, setting the tone for the unique characteristics of this typeface, including shape, complexity and terminals.
2. At the sound of the bell, you will pass your sheet to the next person who will have **45 seconds** to continue your work with the letter 'D', the bell will ding and you will pass the sheet to the next person who will continue with the letter 'E' and so on until all participants have worked on all typefaces.
3. Please do your best to stay within the lines of each box.

If *improv* and *typeface design* had a baby, this exercise would be it. :)
